Red, orange or green?

What kind of loss/damage is covered, and what isn't? As a thumb rule here, are a few things you should remember.

- **Use of the vehicle:**

The Policy covers the use of the vehicle for any purpose except Motor Trade, hiring or reward, carrying goods (other than samples or personal luggage), organized racing, pacemaking, speed testing, reliability trials etc.

- **Who can drive?**

The driver can be anybody including the insured, provided he/she holds an effective driving license at the time of the accident and is not disqualified from holding a driving license. However, the driver must satisfy the requirements of Rule 3 of the Central Motor Vehicles Rules, 1989.

- **Loss/damage to others:**

Section II-1 (i) of your policy, covers you for liability for an amount of ₹6,000/ in case of loss/damage to someone else's property, or unlimited liability for injury/death to other third parties in case you have an accident.

This is most important! Slow down here.

Although we'd love to cover your vehicle without exception, we can't. Your policy covers loss to your vehicle only if all the terms are met. And any payment we make because of terms appearing in this schedule or to comply with the Motor Vehicles Act, 1988, is recoverable from you. You should definitely read the clause, 'Avoidance of certain terms and right of recovery' in your policy wording. Warranted that the Assured named herein/owner of the vehicle insured holds a valid Pollution Under Control (PUC) Certificate on the date of commencement of the Policy and renews and maintains valid and effective PUC Certificate during the duration of the Policy period. If the PUC is not found valid on the date of loss, the company shall repudiate any claim made under the Policy.

Please make sure that the vehicle details mentioned in your policy are correct, regarding the make, model, number of wheels, usage, tonnage, etc of your vehicle. If any of these details do not match, it will count as fraud, and your policy will stand cancelled right from the start. If there's any such mistake in your Policy Schedule/Document, let us know within 15 days of getting it.
